

TSA by the Numbers

Aviation Security

- Responsible for the security of nearly **440 federalized airports**
- More than **44,000 transportation security officers** keep people secure
- More than **600 aviation transportation security inspectors** ensure regulatory compliance
- Nearly **60 percent** of TSA officers have five years or more experience as **counterterrorism professionals**
- Nearly **20 percent** of TSA employees are **veterans or still proudly serving**
- TSA screens approximately **2 million passengers** daily and over **700 million** every year
- TSA **screens 1.3 million checked items** for explosives and other dangerous items daily
- TSA **screens 4.9 million carry-on items** for explosives and other prohibited items every day
- Responsible for the security of over **20,000 domestic flights** per day
- Responsible for the security of over **2,000 outbound international flights** per day

Checkpoint Security and Risk-Based Security

- There are more than **900 advanced imaging technology machines** with privacy protecting software at airports nationwide
- In 2016, officers detected approximately **3,391 firearms at airport checkpoints**, averaging nine firearms per day
- TSA conducts over **12,000 assessments** a year to improve hands on training with transportation security officers
- TSA **risk-based security** is based on the understanding that the vast majority of people traveling pose little to no threat to aviation and applies an **intelligence-driven approach** focusing on higher-risk and unknown passengers. Through risk-based security:
 - » There are nearly **400 TSA Pre✓® application centers** open nationwide
 - » TSA Pre✓® is operating at approximately **200 airports**
 - » More than **6 million passengers** each week experience expedited screening

Inbound International Aviation

- TSA **inspects approximately 280 last point-of-departure airports** (those with direct flights into the United States)
- There are **109 countries** with at least one last point-of-departure airport
- Responsible for securing nearly **700 foreign repair stations**
- Approximately **10 billion pounds of cargo** is transported on commercial aircraft annually from foreign airports
- There are **40 recognized countries** in the national cargo screening program

Law Enforcement

- Federal air marshals fly **millions of miles** each year supporting aviation security
- There are more than **900 TSA canine teams** deployed nationwide tasked with screening passengers and cargo, and supporting other security missions
- In 2016 more than **230,000 hours of canine explosives detection screening** throughout the nation's transportation system
- **Thousands of federal flight deck officers** participate voluntarily to ensure the traveling public security
- Provide assistance to **hundreds of crew member self-defense** trainings yearly

Multi-modal Security Efforts

- TSA secures the United States transportation network which connects cities, manufacturers and retailers through:
 - » More than **4 million miles** of roadways
 - » More than **140,000 miles** of railroad track
 - » More than **612,000 bridges** and **more than 470 tunnels**
 - » More than **360 maritime ports, 3,700 marine terminals** and **approximately 12,000 miles of coastline**
 - » Approximately **2.7 million miles** of pipeline
- Approximately **250 surface transportation security inspectors** ensure and regulate compliance in the cargo supply chain
- More than **37,000 surface regulatory inspections** are conducted annually across all modes in support of risk-based security
- Approximately **26 million daily trips** are taken on public transportation
